(Aliquippa, PA) - U.S. Representative Jason Altmire (PA-4), a member of the House Transportation and Infrastructure Committee, issued the following statement regarding US Airways CEO Doug Parker's announcement today that more flights will be cut from Pittsburgh International Airport:

"I am disappointed by Mr. Parker's unexpected announcement today that US Airways is considering cutting more flights out of Pittsburgh International Airport. The success of Pittsburgh International Airport is critical to the future of western Pennsylvania's economy, and I remain committed to working with airport officials, as well as state and local stakeholders, to ensure affordable air travel is available to residents of western Pennsylvania."
