

August 2, 2011

WASHINGTON, D.C. – U. S. Congressman Jason Altmire (PA-04) today announced the August hours of operation for his satellite district offices in Cranberry Township, Ellwood City, Farrell, Murrysville, New Castle and Ross Township. The satellite office hours are in addition to Congressman Altmire's two full-time district offices in Aliquippa and Natrona Heights.

During satellite office hours, Congressman Altmire's staff will be on hand to assist constituents with, among other things, issues related to passports, Social Security, Medicare or veterans benefits.

Each month, Congressman Altmire holds satellite office hours in communities across the district to make it more convenient for constituents to get assistance from his staff. For more information on the satellite offices hours, constituents may call the district offices in Aliquippa at (724) 378-0928 or Natrona Heights at (724) 226-1304.
